Hi Curtis – I just wanted to provide this link for situational awareness purposes about both FB groups, you may have already seen it:

Also: I would like to tweet the link to the letter one more time, soon, using #westlakelandfill, there is an ongoing conversation.

Proposed tweet: EPA Regional Admin Brooks Responds to Mo. Attorney General Koster on West Lake Landfill: [ow.ly/uP0y8](https://ow.ly/uP0y8) #westlakelandfill
